

May 15, 2026

Dear Friends and Patients,

It has been a profound honor and privilege to serve as your physician. My mission has always been to provide you with the highest quality of care, and it is with your best interest in mind that I share some exciting news regarding my practice.

**Effective June 1, 2026**, I will be joining Advanced Neurology, an expansion of Advanced Pain Care. I chose to join this physician-led, multispecialty organization because it allows me to offer you a more comprehensive array of services. By being part of a team that includes specialists in Pain Management, Neurosurgery, Rheumatology, Neurology, Physical Therapy, and Behavioral Health, I can ensure that your care is more integrated and accessible than ever before.

#### **Where to Find Me**

I will be seeing patients at the Central and Northwest Austin locations. While I realize that change can bring questions, my staff and I are committed to making this transition as seamless as possible for you.

#### **Next Steps & Appointments**

Your health remains my top priority. I value the trust you place in me, and I look forward to continuing our partnership at my new clinical home. To ensure your care continues without interruption, please contact our office at your earliest convenience to schedule your next appointment, 512-244-4272.

It has truly been a pleasure working with you. I look forward to welcoming you to my new office soon. If you have any questions or simply want to check in regarding the transition, please feel free to call us or stop by.
